Action Taken Reports of Feedback:

The feedback via exit survey is taken on various parameters related to curriculum, infrastructure, training and placement from the students. The overall feedback on these parameters is between Good to excellent. The students seem to be satisfied with the teaching and the interaction of the teachers. Following initiative has been taken

- The infrastructure needs to be upgraded to provide more space the students.
- CBCS system of education is found to be more versatile and beneficial for both academic and professional development of the students should be promoted.
- Institute should plan to incorporate the automated feedback given by the students in the next phase of curriculum design.
- Also institute should improve the latest ICT, sports and other infrastructural facilities.
- To enhance the employability and research, university should sign more MoUs with Indian and foreign eminent institutes and companies and its implementation may be ensure.
- On the other hand DCRUST should take more green initiatives for healthy environments.
